Pay in advance

Oct 17-28 Parent Conferences  
Sign up sheets will be sent home

Oct 31<sup>st</sup> Halloween  
No School-Workday

## Classroom News

Our classroom has been busy as students have been working in stations and learning activities. We have begun to build on the skills we have learned the first few weeks.

In Math we have been learning about place value, expanded form, base 10, and mentally adding and subtracting 10 and 100.

In reading we have been reading fiction and non-fiction books and comparing the two. We have been exploring characters in books and answering the 5 w's: who, what, where, when, and why.

In science we have been learning about different animal families, life cycles and habitats.

In Social Studies we have learned about maps and their importance.

We have focused on Habit 1, Be Proactive during the month of September. This month will learn about Habit 2, Begin With the End in Mind. We will discuss the importance of making a plan.

Please let me know if you have any questions or concerns. I am so proud of the students and their hard work. Thanks for your support!
